These phones have been specially selected for buddy plan discounts. A 2-year contract is required for all discount handset pricing as shown above.

You are not limited to the handsets shown above. You may purchase any handset in stock at regular retail price with no contract required.

Syringa Local Network Coverage

What makes a good Buddy?

A good buddy is always there for you, especially during emergencies. A good buddy lets you talk as much as you like. You can rely on a good buddy. If you like having buddies, you will love our new Syringa Buddy phone - the perfect mobile companion. Add as many buddy phones as you like as mobile sharelines to your Direct Communications landline phone, DSL or cable account—at only \$9.95 a month, you can give one to each member of your family. With unlimited local calling, you can talk as much as you like, and always be in touch with your friends and family, without ever worrying about going over minutes.

If you call long distance, or travel outside of the network, and go over 50 minutes of long distance or roaming in a month, roaming or long distance will be billed at 10 cents a minute for the rest of that month.

You also have the flexibility to add any feature of our standard Syringa contract plans at regular prices. For example, add Text Messaging to your Buddy phone plan:

- 600 Text Messages - \$5
- 1000 Text Messages - \$10
- Unlimited Text Messages - \$15

Call 208 548 2345 to get mobile today.
